

Public Sector Membership

The Hub's membership program gives government and public sector organizations the opportunity to stay connected and demonstrate regional leadership and commitment to high-performance buildings. The Hub's base membership includes discounted access to Hub events and presence on social media and in our newsletter. Add-on benefits are highly customizable, allowing organizations and governments to collaborate with expert Hub and Institute for Market Transformation (IMT) staff. We're here to provide opportunities, tools, and resources that fit your goals and priorities, and support your stakeholders.
